BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of direction and nutrition, and hyse a careful application of the flue properties of well-selected Cocoa. Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resistevery tendency to disease. Hundreds of subtle initialies are dusting around us ready to attack wherever there is a weak ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Cazette.

Made simply with boiling water or mile. Sold in tins only (4-lb, and lb.) by grovers, labelled thus:

SHOEMAKERS MAKING BEST WORK DEMAND BARBOUR'S 1883. IRISH FLAX THREAD.

Inquisitiveness or curiosity is generally admitted to have been the forbidden fruit that was the first cause of all our succeeding ills; but then the apple was eaten before competition in trade was known. Therefore, while it is right to knock at one's door before entering, yet in matters of shopping inquisitiveness should be encouraged, for it wisely directed it must prove profitable. However, we would countenance it, and all visiting our Establishment may be sure of being treated with civility.
